

– CAREER DEVELOPMENT PLANNING –

OWN IT!

Mattia De Dominicis

Senior Vice-President in several multinational companies
leading Innovation and Research

No matter where you would like to have your future career, in corporate, academic, start-ups, there are some principles and tools can be useful to consider

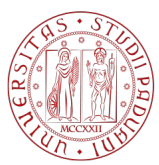

- 1) do you know your leadership profile, your talents?
- 2) do you know your mission and your branding?
- 3) how to combine your talents, your mission and the opportunities can materialise and create your career?

Objective: provide tools and prepare a draft career plan with relevant considerations

Where: Aula Magna, School of Engineering, University of Padova
