

Ready to take on a challenge that could change the future of construction and **win 1000 €?** 🤖  
Sign up now for **Circathon**, an exciting *all-day* competition organized by the Slovenian National Building and Civil Engineering Institute (ZAG) as part of the [ReBuilt Project](#). Whether you're at home or on the go, you can join us **ONLINE** from anywhere in the world! 🌍

### 😊 What's in it for you?

- 🏆 **Win 1000 €** – the winning team takes home a cash prize!
- 🌱 **Tackle real-world challenges** in circular construction
- 💪 **Boost your skills** and grow your knowledge
- 🤝 **Work in teams**, and maybe even meet new people and connect with the fields exports
- 🚀 **Get a glimpse** of the challenges you could face in your future career

### 📅 When?

- **21st March:** Modification of CinderOSS
- **27th March:** Can you turn circular dreams into business reality?

You can sign up for **one or both** challenges - it's up to you! ✨

👤 **Who can participate?** If you're a student (BA, BSc, MA, MSc, or PhD) or graduated within the past 5 years, and you're aged 18-35, you're eligible to apply!

### 📝 How to apply?

1. **Find a team** (3-5 team members)
2. **Fill out a form** (only one team member aka the team leader): [👉 CLICK 👈](#)
3. **Get ready** to face the challenge of circular construction.

? **Don't have a team?** No worries – we'll help you find one!

🕒 **Application deadline: 14th March at 23:59** 🕒

You can find more information about the event in the registration form and on our website or social media. All other **additional information**, like: the challenge, schedule, your team member (if you apply alone), etc., will be sent to you at least 1 week before the start of the event.

- Participation is free.
- Applications are open to individuals and groups of 3 - 5 people.
- Registration are **OPEN** until **14 March 2025**.

**ONLINE** **REGISTER NOW**

## ? Q&A SECTION

**Q:** I don't understand the structure of the event. Circathon is one or two different events? Do I have to apply for both dates, even though the second date is not suitable for me?

**A:** *ReBuilt Circathon is one event divided into two different categories or challenges on the topic of circular construction. You can apply and attend both or just one of the categories. Attendance on both is not mandatory, but it is recommended.*

**Q:** My study field is not directly connected to construction, IT, business or environmental studies. Do you think I will still be able to participate?

**A:** *Yes of course. Prior knowledge on the topic is not needed. Everyone will also receive the challenge description few days (on Monday) before the event, so you will have time to prepare before the D-Day.*

**Q:** How long will event take place?

**A:** *Officially ReBuilt Circathon is a full-day online event, but you and your team will receive the description of the challenge on Monday of the week of the event. That gives you enough time to get familiar with the topic and organize your work in creating the winning pitch. On the day of the event, you will have organizers to help you and guide you to the best you and your team can do.*

**Q:** When will we receive the Challenge?

**A:** *On Monday of the week of the category you applied for.*

**Q:** When will I get the acceptance information and all other information about the event (schedule, link, description of the challenge, with who am I in the team)?

**A:** *You will receive all the information needed for the competition at once and that is on Monday of the week the category/challenge you applied for.*
