

16 / 10 / 18 15:00 Aula Lepschy (DEI)

ARTIFICIAL INTELLIGENCE AUGMENTED REALITY BIM

martedì 16 | 10 | 2018 ore 15:00
Aula Magna DEI "A. LEPSCHY"
via Gradenigo 6/B - Padova

From University of Padua

prof. Carlo Pellegrino. Head of Civil, Environmental and Architectural Department

prof. Alessandro Paccagnella. Head of International Relations

prof. Andrea Giordano.

The role of BIM in the design process

prof. Simone Milani.

When Virtual Meets Real: Recent Advances in Augmented Reality Portable Devices

prof. Marco Zorzi.

Artificial Intelligence and Deep Learning

From HOK San Francisco

Cesar Escalante, Aberto Tono.

Augmented reality and deep learning in the architectural design process
